CADDY

KEY FEATURES

VEHICLES

Caddy service bodies are designed and built to suit the following vehicles in single cab, extra cab or dual cab configuration:

- Toyota Hilux (shown)
- Ford Ranger (shown)
- Mazda BT50
- Mitsubishi Triton
- Nissan Navara
- Volkswagen Amarok
- Isuzu D-Max
- Holden Colorado
- Great Wall
- Toyota Landcruiser (70 Series)
- Nissan Patrol

CONSTRUCTION

- Galvanised steel shell over a galvanised tubular frame
- Aluminium floor planks with steel body runners
- Stainless steel hinges and monel rivets
- Gull wing doors

PAINTING

Caddy service bodies are wet painted to match the colour of your cab. The galvanised panels are etched, undercoated and painted with 2 pack paint. This paint treatment is designed to maximise the body service life with minimum corrosion. Optional colour choices are available upon request.
