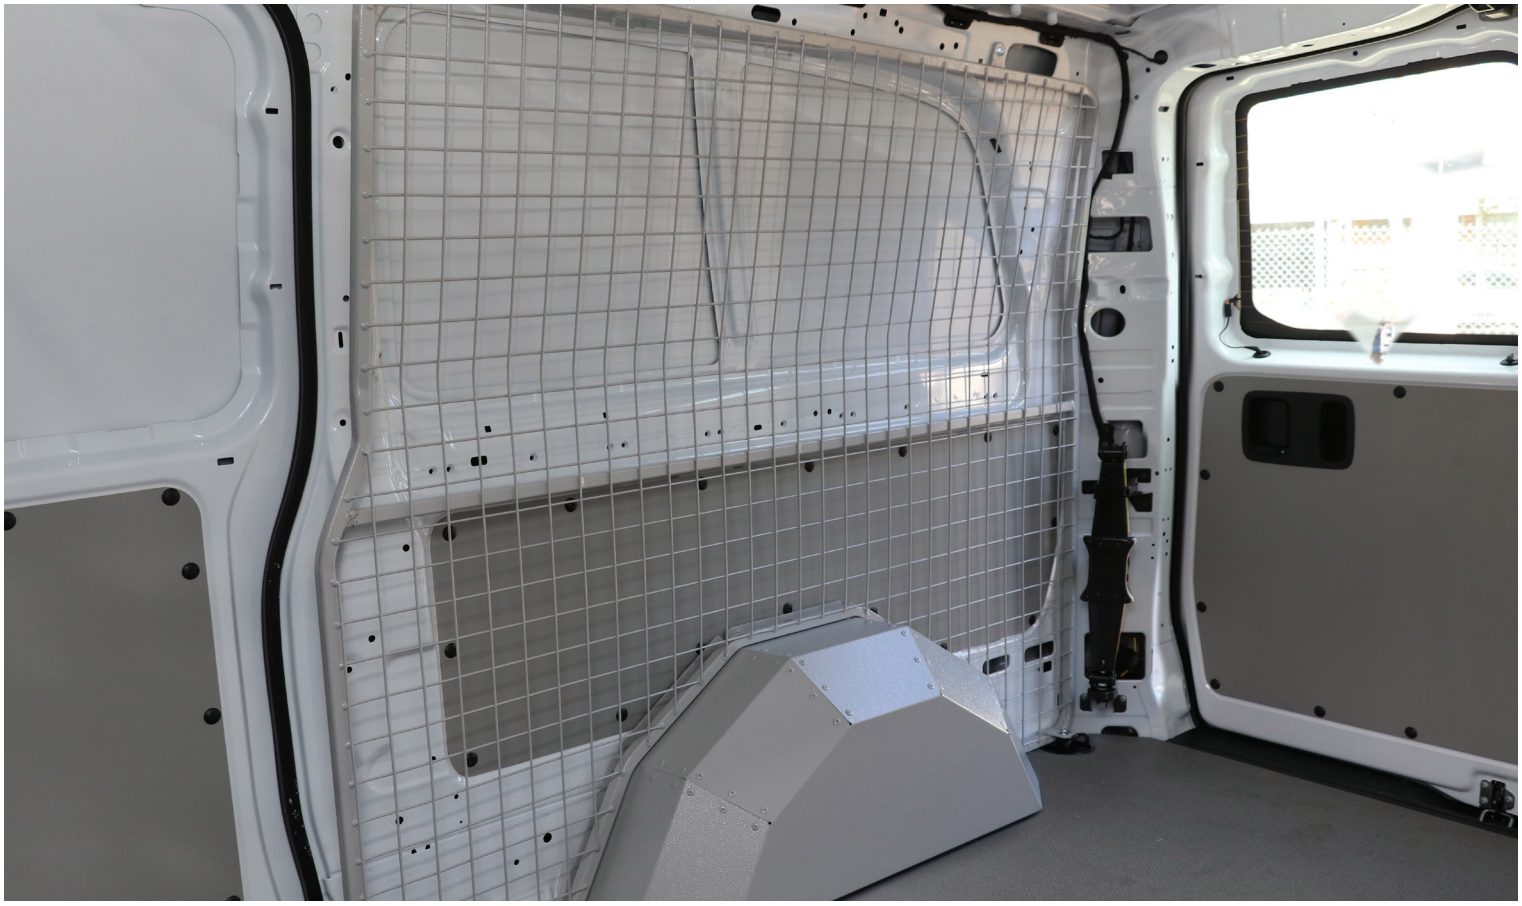
WALL PANELLING + WHEEL ARCH GUARD

MERCEDES VITO (07/2015+) LWB



NEW PRODUCT AVAILABLE

Caddy Storage has recently developed a set of Mesh Wall Panels and Wheel Arch Guards for the Mercedes Vito (07/2015+) LWB model. This set is ideal for couriers or transportation services and will help to provide extra protection to the interior of your vehicle.

The mesh wall allows you to hang accessories to it or strap your cargo to the wall for added stability. It also provides protection to the vehicle's outside skin if the load is moving internally in the cargo area.
